

Grade IV Water Treatment Plant Operator

City of Guin Water Works and Sewer Board

Deadline: Open until filled

The Water Works and Sewer Board of the City of Guin is now accepting applications for the position of Grade IV Water Treatment Plant Operator.

Job Description: Operate various process equipment in a Grade IV surface water treatment facility.

Applicant should possess considerable knowledge of surface water treatment with preferably at least two years of work in a Surface Water Treatment Plant. Applicants must be willing to work nights, weekends, and holidays when assigned. Lifting, shoveling, and climbing stairs/ladders is required. Other duties consist of maintaining building and grounds around the Treatment Plant as well as other duties within the distribution system as needed.

Requirements:

- Must possess a Grade IV Water Certification

Salary Range: \$24.00-\$33.00/hour based on experience

The person selected will be required to pass a pre-employment physical, drug screen, and back ground check, and possess a valid driver's license.

Applications are available on our website www.guinalwaterworks.com. Completed applications may be emailed to guinalwaterworks@gmail.com or mailed to Guin Water Works and Sewer Board, P.O. Box 219, Guin, AL 35563.

Any question should be directed to Terri Dennis at 205-468-3835.
